

Chair's Update

May 2026

Dear Members,

I hope you all had a wonderful Easter break. For those of you who hosted family and grandchildren, I hope you not only survived but have now fully recovered!

I do hope the weather warms up a little soon—and perhaps we get some much-needed rain. As gardeners, we're never quite satisfied, are we?

We're looking forward to seeing as many of you as possible at our upcoming events. Kicking things off on the afternoon of **6th May**, the Joint Science Group will be exploring the intriguing topic: *"What makes genetically modified food distasteful?"*—sure to spark lively discussion.

Later that same evening, we move from science to music and dance, with our annual Banstead Arts Festival event, featuring the ever-popular **Milestone Big Band**. There will be a bar available for this event—Bob and I will be there to keep you refreshed!

One of the highlights of the year is, without a doubt, our **Open Gardens**. Anne Kemble and Kerry Garner are kindly inviting us into their delightful gardens. Add tea and homemade cakes to the mix, and it's hard to imagine a more enjoyable way to spend an afternoon.

Our monthly talk by Roger Mendham is titled *"Land of Fire and Ice"*, taking us on a fascinating journey through Iceland (the country—not the food store!).

We also have a coach trip planned to **Lullingstone Castle 27th May**, which I understand is now fully booked—clearly a popular choice.

To round off the month, on **Friday 29th May**, we are hosting a **Race Night**. This is the first time we've tried this event, and it promises to be a fun and social evening. Tables will need to be booked in advance, so do make sure to secure your place.

Can we also remind you about the Talks held in the Menuhin Hall, in Stoke d'Abernon, are open to all u3a members at a very reasonable cost of £15 for a whole day. A few of our

members went along to "England's Glory" Development of British Battleships 1860–1945 and reported back it was excellent but not very well attended. The next one is on **Friday 15th May "Truth, Lies, Risk and Reason"** Presented by Philip Harris Emeritus Professor of Physics, from the University of Sussex.

The details for all of these events are following and on our website.

Also, a small plea ---- we really need someone to step forward to be our **Business Secretary** from October. If you would like to find out more, please do get in touch with either myself or Anne Kemble.

We look forward to seeing you at as many of these events as possible.

Kind regards,
Jennifer Russell
Chair, u3a Banstead Area

Latest News

Our New Members' Welcome and Coffee mornings continue to be held on the 4th Monday of the month at the Park Life Café, in Lady Neville Recreation Ground. New members are welcome at 9.30am, where you will find out about all things u3a. All members are welcome from 10.30am – 12.00 noon. Our next Coffee mornings are on Monday 22nd June. We look forward to seeing you there!

As ever, the Social Team, have been busy planning and organising our upcoming events.

Please look at the 'Save the Date' table below for our list of Open Meetings and Social events until October 2026.

Theatre Goers

A theatre trip to see 'Arcadia' by Tom Stoppard at the Duke of York's Theatre has been organised for the matinee performance on Wednesday 12th August. The show starts at an earlier time of 1.30pm and tickets cost £55.00 for stall seats.

Some reviews of the show:

'Stoppard's Masterpiece makes a dazzling return to the stage' (The Telegraph), opening at the Duke of York's Theatre, which is being newly renovated into the round especially for this production, from 20 June, for a strictly limited 12-week run.

Brought vividly to life by acclaimed director Carrie Cracknell, this elegant, witty and deeply moving new production of Arcadia is 'a fitting tribute to Tom Stoppard's genius' (The Standard)

If you are interested in this show or are not in the group and would like to join and go, please contact [Ian Hack](#)

Groups with Spaces and New Groups

We continue to increase the number of new and prospective groups on offer and below are a few of our groups who would welcome more members.

Dance2Bfit has spaces and takes place on a Thursday morning at Banstead Methodist Church Hall, The Drive, at the new time of 10.00–11.00am. There is a charge for this group. If you are interested, please email [Sarah Milan](#)

Board Games 2

We hope to create new group for those interested in a variety of board games such as Scrabble, Monopoly etc. meeting fortnightly in member's houses. If you are interested, please email [Lynn Tripp](#). Please note that you will not be responded to quickly as Lynn is away for two weeks.

French Conversation 2

This new group has been set up and would be happy for a few more members to join it. It meets fortnightly on the first and third Tuesday of the month from 10.00am – 11.00am in the Park Life Café, Lady Neville Recreation Ground, Avenue Road, Banstead. If you are interested, please email [Sarah Milan](#)

Padel Tennis

There are a few spaces in this group which takes place weekly on Monday from 9am to 10am at the Royal Marsden padel courts. It costs £7.00 per member per hourly session and includes tea or coffee for those that wish to stay on afterwards. Coaching, balls and racquets are provided. If interested, contact [Ian Hack](#)

Spanish Conversation

There are some spaces in this group who meet at 10.00am in the Park Life Café, Lady Neville Recreation Ground, Avenue Road, Banstead, fortnightly on the second and fourth Tuesday of the month. If you are interested, please contact [Sarah Milan](#) on: u3a.banstead.ga@gmail.com

Recorder Group, Beginners and Advanced

This group meets at 2.00pm, monthly on the first Monday of the month in the Mead Room, Banstead Community Hall. Players of all abilities are very welcome. If you are interested, please email [Jenny Burwood](#)

Tuesday Walking Group

This walking group meets monthly, on the first Tuesday of the month and there are a few spaces available. If you are interested, please email [David Palmer](#)

Meditation and Mindfulness Course

Coming in September 2026, an 8-week course in Meditation and mindfulness for health and wellbeing. Are you feeling stressed, coping with pain or simply want to feel more relaxed?

Meditation and mindfulness aren't an instant fix, but the benefits are well documented and it's a skill that can be developed through practice. Come and learn these simple techniques and experience the benefits for yourself. Participants will need to commit to the full 8 weeks. Register your interest by emailing [Sarah Milan](#) and/or come to a **taster session** in July (Date and time to be confirmed). This is likely to be limited to approx. 12 members. Once the date and time are confirmed you will be emailed with details.

Beer Appreciation Group

We are hoping to start up a Beer Appreciation group, visiting local hosteleries that sell real ale. If you are interested in joining this group, please email [David Matthews](#)

If you have an idea for a potential new group, please email [Lynn Tripp](#)

News from Existing Groups

Practical Gardening 3 – Kerry Garner

Banstead u3a seems to be full of gardeners, our group was formed 2 years ago, since then we have become good friends. We meet once a month visiting our own gardens, where we try to be hands on getting out our loppers and hand forks, focusing on how best to maintain and look after our plants and shrubs, offering advice to each other. We often have extra-curricular days out to other gardens open to the public. Our best garden find, so far is The Old Vicarage in Washington, it's part of the National Garden Scheme and well worth a visit.

Thursday Walkers – Margaret Fox and Yvonne Mason

We always start the new year with coffee and cake at Yvonne's home when those willing to lead walks discuss the programme for the year ahead. Once this is mapped out, we offer a 'warm-up' walk towards the end of January to get our legs working after the Christmas break. We are 35 members with typically about 15 on our 4-mile walks. Holidays and grandparenting are the main culprits for non-attendance apart from medical problems.

So far this year we have enjoyed the fresh air locally around Walton Heath from both The Sportsman and The Chequers led by Roger and Martin – pub lunches to follow of course; not far away in lovely Norbury Park, led by Cathy, we braved the weather in March and found interesting paths to explore; ponds and ponies were highlights during a Holmwood Common walk with Janet in early April – this is a 600 acre National Trust area south of Dorking.

Robert and Linda take us on our next stroll along the River Mole, something to look forward to. Group walking helps to satisfy our need for exercise and friendship, and there is certainly much chatter en route! We have many more delights to come

during the year, ending with our Bring and Share Christmas Lunch, now an annual event!

Spanish Conversation – David J Talbot

We meet at 10.00am in the Park Life Cafe at Lady Neville Recreation Ground in Banstead on the second and fourth Tuesdays of the month. The session lasts for an hour. We are of various standards. I am semi fluent, but some attendees have lived or worked in Spain and are very good speakers. We sometimes have a subject for discussion or we just chat generally. There are usually about half a dozen of us. It would be good to see you if you have some knowledge of the language. Why not give us a try.

Short Walks 1 and 2 – Jenny Burwood

Both groups are very popular and have enjoyed some splendid local walks – ending with coffee and cakes where available! So far this year we have walked in Oaks Park, Nork Park, Horton Country Park and Denbies. This morning group 1 were enjoying the glorious display of bluebells in Banstead Woods as you can see from the attached photo.

Practical Gardening Group 2 – Carol Crabtree

We are gardening group 2, consisting of 12 members, ranging from myself – a keen gardener without a lot of knowledge – through to some incredibly talented horticulturists. We meet monthly, taking it in turns to meet at each other's houses and gardens.

We are often 'hands on' – for example, this month we all donned gardening gloves and secateurs and expertly pruned all the hydrangeas in my garden, a task which, to my shame, hasn't been

performed for many years.

We regularly exchange plants from each other's gardens and the knowledge I have gained has been invaluable to me. We have also visited various gardens, including Great Dixter, The World Garden at Lullingstone and, of course, Wisley. If you are a keen gardener – novice or expert – I wholeheartedly recommend joining a U3A gardening group. It is tremendous fun whilst, at the same time, informative and rewarding.

French Conversation – Margot Williamson

We are a friendly and lively group of 10 ladies meeting twice monthly. Levels of French are different, but it doesn't stop us discussing a wide variety of subjects. We enjoy helping each other. An example of friendships created through U3A.

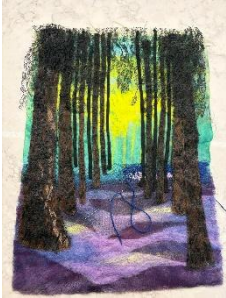

Recorder Group, Beginners and Advanced – Jenny Burwood

I am pleased to say that the Recorder Group is thriving. It runs as 2 groups split by ability so that everyone gets to play and enjoy music at an appropriate level. We welcome

new players of all abilities – from those who last played at Junior school to experienced players who get to play in 4 –part harmony. You will find that we are a very friendly bunch.

Needlecraft – Jackie Mahoney

'The needlecraft group continues to meet up regularly for a relaxing couple of hours of sewing, tea & chat. A talented member is currently working on a beautiful piece of textile art inspired by the natural world. A work in progress, she is now starting to build up texture & colour with detailed stitch work – very inspiring!'

Practical Gardening Group 5, The Composters – Lesley Wright

We are a new gardening group meeting on the second Wednesday of the month. Our first meeting was in January, and we called ourselves The Composters. The name came about because it was the first topic we spoke about.

Since then, we have shared photographs of Spring bulbs at their best and also ones which weren't successful. When to prune shrubs to stem getting out of control and becoming woody. We have started a plant swap, dividing perennials and propagating seeds. We recently visited Dobbies Garden Centre and Banstead Wildlife Field.

Tuesday Walking Group – David Palmer

The U3A Banstead Tuesday Walking Group held its first walk in December 2025 with a walk around Shere and Albury's ancient churches. Subsequent walks have taken in a very wet Happy Valley & Chaldon Church with its medieval mural, Betchworth Castle and the Deepdene Trail and in April, The Langley Vale Centenary Wood commemorating the fallen of First World War with the Regiment of Trees, the Witness sculpture and beautiful bluebells (see photos).

The group walk around 5 miles on the first Tuesday of each month ending with a pub lunch for those who want to stay. We usually see around 12 –14 people on the walk and if you are interested there a few spaces open for those who would like to join.

Theatre Goers – Ian Hack

The Theatre Goers Group continues to go from strength to strength. From its origins in late 2024, when 10 of us went to see the likes of 'Guys and Dolls', the 'Book of Mormon' and 'Phantom of the Opera', 32 members have just been to see 'Shadowlands' and bookings are already in place for 40 members to see 'The Truth' and 'Sinatra the Musical' (the latter spread over 2 dates in September). We can achieve major ticket price savings by buying as a group, although we do have to commit well in advance to get the best deals. Shows are mid-week matinees, so no late-night travel worries and the opportunity to have a meal before or after the show, with other fellow u3a members. We have been to see 22 productions and have warmed over 430 seats in various West End theatres since the Group was set up and there are many more shows in the pipeline. One disappointment.... 'Woman in Mind' split the room, but many highlights.... 'Evita', 'MJ The Musical', 'Phantom', 'Witness for the Prosecution' and I thought 'The Producers' was a hoot! There are now over 200 members in the Theatre Goers Group, which is great to see. By far our largest u3a group. Look out for further productions for this year and into 2027 (yes, we have to book that far ahead!)

And finally, a note from a group member – Diana Fewtrell

Having recently downsized to Banstead and being widowed a couple of years ago, the u3a has been a wonderful thing to join! I enjoy weekly table tennis, despite minimum ability, with a lovely group led by Heather. Monthly Scrabble is fascinating and we have very lively discussions at the monthly Current Affairs. The long walks and lunch are excellent and meticulously planned. The Open Meetings are invariably thought provoking and fun. Kate's Golf Society is now on its fourth gathering and thriving, welcoming everyone. Finally, the MOTO group which Lynn started some time ago, means that there is always a table at the Social/Music events, so you are never sitting on your own!

Events run by TAT

As a member of Banstead u3a, you also have access to activities run by the Third Age Trust (TAT). TAT is the umbrella organisation of all u3as in the country and offers regular online talks, workshops and courses on a wide variety of topics, mostly via Zoom. These range from mindfulness, laughter yoga and cookery demos to talks on AI, history and environmental issues amongst many others. See what's on offer here:

www.u3a.org.uk/events. Some talks get booked up quickly, so it is a good idea to book as soon as they are announced. We usually publish a link to the talks in our monthly bulletin, but it is possible via the website to register for a monthly e-mail announcing what's coming up. For some of these events, you will need to create a registration with TAT.

In addition to these talks, TAT run Interest Groups Online. This is essentially a virtual u3a which runs several groups online with members from across the country. You need to join Interest Groups Online first for £12 per annum, but once you are a member, you can join any of the groups that they run. Find out more here:

www.u3a.org.uk/learning/interest-groups-online

Surrey u3a Study Days

Study days are open to all u3a members and guests are very welcome. They are held in the Menuhin Hall, Stoke d'Abernon; starting at 9.30am with registration and run from 10am to 4pm. They offer hybrid events so that members can attend the hall or view the study days online. The fees from February 2025, including coffee/tea and biscuits, are £12 for hall attendance or £7 online, £15 for guests and £15 for all attendees paying at the door.

Friday 15th May 2026 [Truth, Lies, Risk & Reason](#) *** Presented by Philip Harris, Emeritus Professor of Physics, University of Sussex

Free for Banstead Area u3a members

£3 non-members. Includes tea/coffee

<https://bansteadarea.u3asite.uk/>

The British have been drinking tea since the 17th century, in those days importing it from China at great expense. Later, the East India Company decided to create their own tea industry in India, but they had no suitable tea plants and didn't know how to turn the raw plants into tea. What followed is a tale of drug pushing, industrial espionage, smuggling and good old British incompetence.
